

Intellitron

Mini-Dipole Bracket Mount AA-1602

This mount allows you to set up an 80 to 6 Meter mini-dipole by pairing two identical-band Intellitron Ham Stick antennas.

- It's designed to fit on masts with an outer diameter of up to 1 1/4 inches for optimal setup and performance.
- Constructed from robust solid aluminum, ensuring durability.
- It's compatible with any antenna that has a 3/8x24 thread and can also accommodate the Intellitron TA-1317 17-foot Telescopic Antenna for 20m operations.

TWO YEAR LIMITED WARRANTY

This Limited Product Warranty is provided by the Dealer where your Intellitron product was purchased. The Product Warranty extends only to the original purchaser of the product and is valid for a period of two years from the date of purchase. Please keep your dated sales receipt as evidence of the date of purchase. You will need it to receive warranty service. Your Dealer warrants the product will be free from defects in workmanship and materials under normal use. If the product fails to conform to the warranty and is within the warranty period of two years, contact your original dealer for a return authorization. Your dealer may choose to either repair or replace the non-conforming product.
